

John Dixon Hall Jr

John Dixon Hall Jr has been playing music since he was 15 years old. His love of all genres of Music comes from his father who was an incredible drummer. He exposed him to music ranging from Chick Corea to The Beatles to Willie Nelson. John is a multi-instrumentalist who also has a voice that is unmatched in the area. Of course when he picks up a guitar, he loves to go back to his country roots and play songs he has been listening to since he was just a kid. He also loves to play his versions of modern country music as well as rock and even a soul song, or two. John Dixon Hall Jr is an act that you just can't pass up!
